## To Whom So Ever It May Concern

It is to certify that during the sessions 2017-18, 2018-19 and 2019-20, initiatives were taken by IQAC to improve the overall quality of the academic and non-academic parameters in the college but the data could not be maintained due to some unforeseen reasons, hence in the absence of any supporting documents, IQAC is unable to authenticate the initiatives taken by it.
